

Curriculum Vitae

Personal Information

First name:	Emanuel Francisc
Last name:	Mârț
Address:	Strada Pacurari 93, Iasi, Romania
E-mail:	mail@franciscmart.name
Phone:	+40 740 174 547
Marital status:	single
Nationality:	Romanian

Objective

From an early age being heavily oriented towards exact sciences like Physics, my transition into one of my highschool interests, Computer Science, is a natural one. I am a self-taught programmer passionate about abstract concepts and I want to be the next asset to the team and company.

Education

2012 – 2014	"Gh. Asachi" Master's Degree in Civil Engineering, Iași
2008 – 2012	"Gh. Asachi" Faculty of Civil Engineering and Building Services - Bachelor's Degree in Civil Engineering, Iași
2006 – 2010	"A.I. Cuza" University - Bachelor's Degree in Technological Physics, Iași
2002 – 2006	"Grigore C. Moisil" Computer Science Highschool, Iași
