

# Curriculum Vitae

## Personal Information

First name: Emanuel Francisc

Last name: Mârt

E-mail: mail@franciscmart.name

Phone: +40 740 174 547

## Objective

Experienced PHP developer with a strong focus on eCommerce platforms, particularly Shopware 6 and Symfony. Proven track record in developing custom plugins, API integrations, and performance-optimized storefronts. Skilled in building scalable solutions, maintaining code quality, and translating business requirements into clean, maintainable code. Comfortable working independently or as part of a distributed team.

## Education
